Welcome

We are glad that you have chosen to worship with us today. Central is a family church, with generations of families making their home here. Central is also a mission-oriented church, sharing the love and good news of the gospel with one another, our neighborhood, our community, and the world, as you will see throughout our ministries, events, and announcements for this week. We would love to be your church home. If you are here just for the day, we pray God's blessings on your journey!
