HOSPITALIZATIONS

Please let the office know if you are in the hospital or have a planned surgery. When Deaconess made their big computer changeover to a new system, Central's records were lost. When you are in the hospital the Chaplain's office will call the church letting us know that you are there unless you specify that you do not want them to notify us. We have tried to update the list as best we can. It certainly helps if you or a family member calls us to let us know that you are there, so we may arrange a visit and most certainly hold you up in prayer.

St. Vincent does not call us so we are totally dependent on you or your family letting the church know that you are there.

STAFF MEETING

This is a reminder that the church staff meets from 10:00 a.m. – 11:30 a.m. on Tuesdays in the church office. Please call or stop in anytime in the event of an emergency, but to minimize interruptions during the meeting, we would appreciate your calling before or after the staff meeting for non-emergency topics.

CAN YOU HELP?

Do you have any of these items you don't need?

We have a young man who is setting up an apartment and only has clothes at this point. Donations may be dropped off at the church office, or contact Cynthia at 812-499-7446 to make arrangements for larger items. Thanks!
