## TRUSTEE REQUEST

On the advice of the Skanska plumber and to avoid damaging the sink drains throughout our building, please avoid pouring out coffee, tea, and soft drinks in bathroom sinks. If you must use a bathroom sink, please ensure that an equal amount of water follows those beverages down the drain. This would be a good practice in the kitchen sinks as well. Thank you.

**Important Note: The Bunn coffee maker in the kitchen across from the Garden Room needs to be unplugged to be turned off. It also needs to be left clean when not in use.**

## OUR SYMPATHY
